

GUIDANCE NOTES 2019 - 2020

What is Feith Chooses?

Feith Chooses gives the people of Leith a unique opportunity to choose, by vote, which local projects should receive funding.

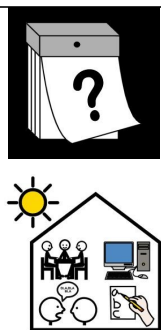

Everybody who lives, works, volunteers or studies in Leith, and is over 8 years old, can vote. We want as many people as possible to take part.

Voting takes place on **Saturday 1 February 2020** at the Feith Chooses voting event, at the Leith Community Education Centre.

There will be no online voting this year. Those who need help to come and vote should contact Feith Chooses to arrange for support.

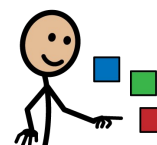

A total of £44,000 is available from the Community Grants budget that the City of Edinburgh Council allocates to Leith.

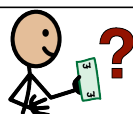

How, when, where?

- **6 January 2020:** Project applications must be complete and submitted
- **1 February 2020:** 'Live' voting at the Feith Chooses event, at the Leith Community Education Centre.

Who can apply for money?

Any group can apply as long as **the rules** (see below) are met.

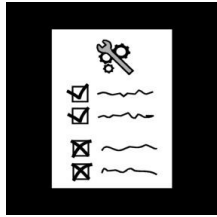

How much can you apply for?

Groups can apply for a grant up to £5,000 maximum. All applications, regardless of amount, are welcome!

Each group can only submit **one** application for funding in total.

The rules

To qualify for a grant you need to be a constituted group. In other words, you must show that your group:

- has its own bank account with two signatories for cheques
- has its own constitution.

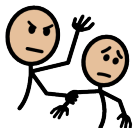

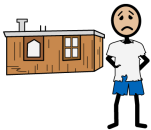

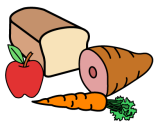

Please send in details of these along with your application.

Sadly there are no grants this year for unconstituted groups because the funds are governed by Edinburgh Council's rules on the use of public money.

What types of projects will be funded?

- Your project must benefit the community and the people in Leith.
- Your project must address real needs in the community, and reference evidence of these.
- Your project must either be a new project or a distinct addition to an existing project, not just a continuation of an existing project.
- If your project is awarded Leith Chooses funding, it must be completed within 12 months from the receipt of funding.

Your project must fit clearly within the title 'fighting hunger and/or loneliness': it can address either hunger or loneliness, or both.

- **Fighting hunger**, e.g. system or network to signal food emergency and/or provide information about help with food; cooking together, sharing food, educating about food and/or cooking; providing or (re) distributing food to people suffering from food inequality.
- **Fighting loneliness**, e.g. systems/networks to identify people at risk of or actually suffering social isolation; activities to bring people together and with particular emphasis on supporting children, older people, disabled people, homeless people, vulnerable families or single parents, refugees, domestic abuse victims, people from minorities.

For further information, come to the **launch event on 1st October 2019**, see the website and social media posts, and/or come and talk to us at one of our support sessions in October, November and December with your ideas.
