

### FOR COMMUNITY PROJECTS UP TO £5,000

#### What is Leith Chooses?

Leith Chooses gives the people of Leith a unique opportunity to choose, by vote, which local projects should receive funding.

Everybody who lives, works, volunteers or studies in Leith, and is over 8 years old, can vote. We want as many people as possible to take part.

Voting will take place in January 2022. Sadly, there will be no 'in-person' voting this year, but only online voting, due to persisting Covid 19 restrictions.

Anybody who needs help to vote online should contact Leith Chooses to arrange for support.

A total of £46,102 is available from the Community Grants budget that the City of Edinburgh Council allocates to Leith. Any further funds raised will be added to this same 'pot' to extend the number of grants that can be made to community groups.

#### What are the timescales?

- **30 November 2021:** applications must be completed and submitted.
- January / February 2022: Voting online (exact dates to be confirmed).
- By 31 March 2022: all funds will be disbursed to project groups.

#### How much can you apply for?

Groups can apply for a grant of any size up to a maximum of £5,000. All applications are welcome!

**Each group can only submit one application for funding.**

#### Who can apply for money?

Any group can apply as long as **the rules** (see below) are met.

#### The rules

To qualify for a grant you must be a constituted group. In other words, you must show that your group:

- has its own bank account with two signatories for cheques
- has its own constitution.

Please send in details of these along with your application.

Unconstituted groups cannot apply to this fund, as it is governed by Edinburgh Council's rules on the use of public money.

(If further funds become available for small projects by unconstituted groups, this will be advertised separately.)
