1. Website gallery went live as planned, no problems.
 2. Don thanked Caroline, Bruce and Sally for their considerable work to get the website gallery ready.
 3. Discussed and confirmed that Voting will end at 11.59 on 31st January (Emma has set the site to close then)
 4. Emma has added the revised text to Consultation Hub and sent through link so we can preview and comment before finalising. She will attend next week's meeting for final discussions and checks.
 5. Social media reminders going out daily on a countdown to Voting week. Anita will share across PoLH networks.
 6. Monty Roy has volunteered to make a short vid. Sally & Don will make a short vid clip.
 7. Sally will speak to Susan to ask her to make a video announcing and thanking Trams to Newhaven team for their contribution
 8. Anita drew attention to the SCVO campaign #nevermoreneeded
 9. Agreed that press release is not useful at this point but should be sent out as soon as the Gallery is 'live'.
