Present: Bruce, Jack, Lisa, Sally

Apologies: Naomi, Rachel, Tremaine

1 In-person support sessions

- Action: Lisa to book Kirkgate for Monday 24 September (5pm)
 - Lisa, Sally, Don are available for this
- Action: Lisa to book Broughton St Mary's Monday 7th Sept (5pm)
 - Lisa, Jack available for this
- Action: Lisa to confirm bookings to steering group via WhatsApp
- Action: Bruce to tell the Spurtle and NTBCC about the sessions, but only once the sessions are confirmed.
 - This email could also include a link to the map and description of 'Greater Leith'.
- Action: Sally to add in-person sessions info to website.

2 Applications

- Noted that the redacted applications will come to a folder on the Teams filestore
- Rachel has offered to print copies
- Naomi has asked for just the combined SG comments
- We will need to ask people either to be at meetings or email in comments.
- We will have a standing meeting item to consider applications.
- Because we can't predict when applications will arrive, we will assume we are meeting each week.

3 TVL PB and LeithChooses

- We have some concern that there might be confusion for potential applicants between LC and TVL PB.
- However, we've not heard recently from the relevant CEC official about this PB.
- NTBCC will have a presentation from this official on Monday 14th September as part of its normal (online) meeting.
 - At least Bruce and Jack will be there, \$deity permitting. Bruce can share the Zoom link with SG members.

4 Comms

- Action: Sally to check whether CEC has emailed *Edinburgh Minute, Spurtle, the Leither, Leith network* etc.
- Action: SG to make a brief 'applications are open' video.
- Action: Lisa (and possibly Rachel, if she is happy to do so) to promote LC at Remakery business breakfast (27 August).
- Lisa may be able to promote LC via the Edinburgh University 'slurp' meal organiser.
