

Leith Chooses Meeting Notes, 9 September 2026

Present: Aine, Abby, Bruce, Don, Jack, Lisa, Sally, Donna (online).

Apologies: Naomi, Rachel, Tremaine

1 Application support sessions

- The LC Support session at Bellevue went well: at least two potential new applications were discussed:
 - A project around enabling people with disabilities to undertake journalism – bot yet thought through
 - A project by a person Lisa met at Remakery Business Breakfast

Both projects will need some refinement before they can be submitted.

- There was an email conversation about a call for an organisation who can't make any of the arranged sessions.

2 Videos

- Material for three short promo videos was recorded:
 - The LeithChooses area is more than just Leith.
 - The application window is open, remember the closing date
 - Information on support sessions.
- Action: Jack to edit these videos (e.g. adding opening slide with a still of the LC area map, Leith Chooses graphic).
- Action: Bruce to double-check text etc.
- Action: Jack / Sally / Aine to share these via LC's social media channels.
- Action: Bruce to add them to the LC website. (This wasn't agreed at the meeting but is implicit in Bruce's normal work for LC.)

3 Leaflets

- Action: Lisa to take some for the Leith Community Centre, Don for Leith Library, Sally for Duncan Place, Jack for MacDonald Road Library
- Action: others to be taken by SG members to student accommodation, cafés and community council meetings in the LC area

4 TVL PB

- A link to the CEC web-page on this was shared.
- Michael Edwards is due to present briefly at NTBCC's meeting on Monday 14th (7pm, in-person in the Drummond Room at Broughton St Mary's church). Anyone and everyone can attend any public CC meeting, but it was suggested that only a couple of LC members ask questions because this presentation is only part of the LC meeting.

5 Voting day

- There was an email discussion about funding for janitorial support for the voting day.
 - Action: Lisa and Naomi to sort this.

6 AOB

- Naomi emailed to say she would attend next week's meeting instead of today (16 September)
