

Leith Chooses Meeting Notes, 21 October 2026

Present: Aine, Lisa, Don, Bruce, Susan, Sally, Donna, Jack

Apologies:

1 Applications

- The steering group's comments for 10 applications (LC0826, LC0926, LC1126, LC1326, LC1426, LC1526, LC1626, LC1726, LC1826, LC2026) were placed on the tracker.

2 Application process

- Due to some organisations being mentioned as contributing to other projects, as well as making their own applications, we need to make the 2027-28 policy on partnership tighter and clearer. (Bruce has added this to the 2027-28 notes document.)
